H. YOUR ACKNOWLEDGEMENTS

Employer hereby applies for coverage under the Group Master Policy ("Policy") issued to MUST I Trust ("Trust") by Standard Security Life Insurance Company of New York ("Insurer"). Employer hereby joins the Trust for the purpose of establishing an employee welfare benefit plan. Employer agrees that the insurance coverage which is to be placed in force is subject to all of the provisions of the Policy issued to the Trust. Employer agrees to be bound by all of the terms, provisions and limitations of the Trust, the Policy issued thereto, and this Application.

The Employer also agrees that:

- participation in the Trust is subject to written approval of this Employer Application by Insurer or its designee; no liability is created for, or assumed by, the Trust or Insurer until this application has been approved in writing; acceptance of the check submitted with the application does not constitute approval or guarantee coverage; and if for any reason this application is not so approved in writing, the sole obligation of the Trust and Insurer will be, and the Employer shall be entitled to only, a refund of any monies paid.
- the first premium payment is due as of the date coverage becomes effective; subsequent premiums are due on the first day of each succeeding month; a grace period of 31 days will be allowed for the payment of any premium due after the initial premium.
- the initial premium rates will remain in effect for the first 6 months of coverage, unless Employer elected the 12-month rate guarantee on the Employer Application. The initial premium rate may change during the rate guarantee period if (1) the Employer adds or deletes Employees; (2) existing Employees move into a higher age bracket; (3) Employer moves to another geographic area; (4) Employer modifies the plan's benefits; (5) the Provider Network fees change, (6) benefits change due to state or federal benefit mandates; or (7) any benefit changes occur during the period.
- benefits under the Policy begin on Employer's Effective Date and coverage ends as of the last day for which premium
 has been paid; and Insurer will not be liable for any health care claims incurred by any Insured Person after the date on
 which coverage has terminated.
- it will reimburse Insurer for any claims paid by Insurer for Covered Charges that are incurred by an Employee after the date coverage under the Policy terminated.
- the Group Master Policy contains precertification requirements and an Insured Person's failure to meet those
 precertification requirements will reduce benefits that may be payable under the terms of the Policy.
- coverage under the Policy is available for U.S. residents only; Employees must be legal U.S. residents and benefits are
 not payable for medical expenses for services received outside of the United States except for Emergency Care when
 traveling.
- it has reviewed all of the answers to the questions on this Employer Application; understands that it is Employer's responsibility to provide truthful, complete and accurate information; represents that all of the information contained herein is true and complete; acknowledges that any material misstatements or failure to report information by Employer or Employees may be used as the basis of rescission or termination of Employer's or any Employees coverage.
- its agent is an independent insurance agent representing Employer, not the Insurer, and that no agent is authorized or has authority to (1) alter the terms of the Policy or the Trust; (2) waive, alter or modify any questions on this Employer Application; or (3) permit Employer or Employees to inaccurately answer any questions.
- all eligible Employees are encouraged to apply for coverage during the Employer's initial enrollment period, including those who may not be eligible for coverage yet because they are still in a "service waiting period," and Employer may only waive the "service waiting period" for Employees when Employer's coverage first becomes effective.
- it must maintain the minimum Participation Requirements stated herein; Insurer may periodically request and inspect payroll and personnel records to verify Employee participation rates; Employer will provide any such information that is requested; Employer's failure or refusal to provide such information is ground for termination of coverage; and Employers failure to maintain minimum participation requirements may result in coverage termination or loss of protection under the Health Insurance Portability and Accountability Act.
- all capitalized terms contained herein shall have the same meaning as in the Policy.

Any person who, with intent to defraud or knowing that he/she is facilitating a fraudulent act against an insurer, submits an application or files a claim containing a false or deceptive statement, commits a fraudulent insurance act, which is a crime, and subjects the person to civil and criminal penalties.

I acknowledge I am advised not to terminate any existing health coverage plans for my Employees and myself until my Agent receives notification this Application has been approved by Standard Security Life Insurance Company of New York.
