# Fast and Easy—Online Evidence of Insurability with Fort Dearborn Life Insurance Company®

The online Evidence of Insurability application from Fort Dearborn Life allows employees applying for group life and long-term disability insurance to submit medical evidence applications electronically through our secure Web site.  Through convenient Web access, employees can complete their application 24 hours a day, 7 days a week.*

## Fast, Simple and Efficient

The online Evidence of Insurability application eliminates paper and saves time. The possibility of a paper form being lost, information not being captured or employees forgetting to sign the form are a thing of the past. Employee information goes directly into the system, and the underwriting process can begin quickly.

## Employees Are Assisted through the Process

When employees access the online Evidence of Insurability link, they receive prompts that help them complete the Evidence of Insurability form, section by section. If a line or question is not completed, the system will prompt them to complete each answer before allowing them to proceed to the next section.

## Employee online application checklist:

- Employees will go to the Fort Dearborn Life Web site (www.fdl-life.com)
- Click the "Individuals" tab
- Click the link to Evidence of Insurability
- Complete the form section by section
- The system will take the employee back to any missed or incomplete items
- Read the "Agreements and Authorization" and authorize
- Submit and print a copy of the completed form

## Another Way Fort Dearborn Life *Works*

Better service is part of the group benefits we bring to you. Our online evidence of insurability application saves you time and makes submitting this necessary information easier. It's another way **Fort Dearborn Life *Works***.

* Not available in all states.

### Users of the Benefits Manager Portal Can Generate Evidence of Insurability Status Reports Online

This feature allows benefits managers to always know the status of their employees' Evidence of Insurability applications. Status reports are available online to all users of the Benefits Manager portal at FDL-Life.com. Reports can be generated at any time, indicating the status of pending or approved/declined applications.  Reports include all applications processed by Fort Dearborn Life whether through paper or online submission.
