CARRIER	GUIDELINES	COMMENTS
<p>Accordia Life As of 10/2014</p>	<p>Premier NT (Permanent Products): No tobacco use in past 36 months</p> <p>Premier NT (Term Products): No tobacco use in past 60 months</p> <p>Preferred NT (Permanent Products): No tobacco use in past 12 months</p> <p>Preferred NT (Term Products): No tobacco use in past 36 months</p> <p>Standard Plus NT (Term Products): No tobacco use in past 12 months</p>	<p>Limited use of cigars may be acceptable subject to underwriting judgement. "Limited" cigar use is defined as not more than 4 cigars per month for UL, IUL & SUL plans and not more than 2 cigars a month for term plans as well as the following:</p> <ol style="list-style-type: none"> 1. Applicant must admit to use on application, including number and frequency. 2. There must not be any conflicting nicotine or tobacco use information in the APS, exam, MIB, or inspection. 3. Urine must test negative for presence of nicotine (cotinine). 4. No use of other tobacco or nicotine products within past year. This includes cigarettes, pipes, chewing tobacco, snuff or any nicotine substitutes. <p>Rate reconsideration: after 12 months. Upon request, the client will receive a letter and tobacco questionnaire to complete and return. An Application for Policy Change must be completed as well. When the completed forms are returned, the home office will arrange for a paramed appointment.</p> <p>Electronic cigarettes considered at smoker rate class.</p>
<p>AIG As of 10/2014</p>	<p>Preferred Plus: No tobacco for 5 years</p> <p>Preferred Non-Tobacco: No tobacco for 3 years</p> <p>Standard Plus: No tobacco for 1 year</p> <p>Standard Non-Tobacco: No tobacco for 1 year</p>	<p>An occasional cigar smoker may qualify for best rating class if all other criteria are met. Underwriting is willing to consider the occasional cigar smoker under the following guidelines:</p> <ol style="list-style-type: none"> 1. Use must be admitted at the time of the application/inquiry and all case data must coincide with the admitted degree of usage 2. No more than 1 cigar per week may be smoked 3. No nicotine metabolites(cotinine) may be present in the urinalysis done for American General Life Companies or any other company within the past 12 months 4. No use of tobacco products, other than occasional cigars, for at least 5 years prior to the time of application or inquiry <p>If these guidelines are met, the cigar use will be considered a non-factor in the risk evaluation process. This will allow individuals to receive the best rating class if all other criteria are met.</p> <p>Rate reconsideration: after first policy anniversary; complete Inforce Change Application. HOS required. American General covers HOS lab charge.</p> <p>Electronic cigarettes considered at smoker rate class.</p>
