I. Agreement and Authorization

IMPORTANT STATEMENTS

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are age 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

Certain information, such as that relating to prescriptions, diagnosis and functional status, is not included in the term Psychotherapy Notes.
- The Personal Information will be used to determine my eligibility for insurance and to resolve or contest any issues of incomplete, incorrect or misrepresented information on my application which may arise during the processing of my application or in connection with claims for insurance benefits. This authorization will not be used if the applicant is in an open enrollment or guaranteed issue period.

I represent that my answers and statements on this application are true and complete to the best of my knowledge and belief. I understand that my policy benefits can start no earlier than my Medicare effective date, my first month's premium has been received and/or processed and my application has been approved by Omaha Insurance Company.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy or certificate to be issued by Omaha Insurance Company. Your new policy or certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy or certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy or certificate.

Statement to Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy or certificate will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy or certificate is being purchased for the following reason(s) (check one):

Applicant A	**Applicant B**
☐ Additional benefits	☐ Additional benefits
☐ No change in benefits, but lower premiums	☐ No change in benefits, but lower premiums
☐ Fewer benefits and lower premiums	☐ Fewer benefits and lower premiums
☐ My plan has outpatient prescription drug coverage and I am enrolling in Part D	☐ My plan has outpatient prescription drug coverage and I am enrolling in Part D

☐ Other (please specify)	☐ Other (please specify)
_____	_____
_____	_____
_____	_____

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.
2. Section 363(7)(b) of the Illinois Insurance Code provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy or certificate for similar benefits to the extent such time was spent under the original policy or certificate.
3. If, you still wish to terminate your present policy or certificate or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new policy or certificate and are sure that you want to keep it.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy or certificate to be issued by Omaha Insurance Company. Your new policy or certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy or certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy or certificate.

Statement to Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy or certificate will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy or certificate is being purchased for the following reason(s) (check one):

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.
2. Section 363(7)(b) of the Illinois Insurance Code provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy or certificate for similar benefits to the extent such time was spent under the original policy or certificate.
3. If, you still wish to terminate your present policy or certificate or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new policy or certificate and are sure that you want to keep it.

Illinois Civil Union Law Notice

Signed by Governor Quinn on January 31, 2011, the Religious Freedom Protection and Civil Union Act (Public Act 96-1513, the "Civil Union Law") allowed both same-sex and different-sex couples to enter into a civil union with all of the obligations, protections, and legal rights that Illinois provides to married heterosexual couples. A civil union is a legal relationship granted to unmarried adult partners by the State of Illinois. The Civil Union Law ensures that civil unions and marriage are treated identically under Illinois law. For purposes of Illinois law, the term "spouse" (and other terms that denote the spousal relationship) now includes a party to a civil union.

This notice is to inform you that in compliance with the Act, effective June 1, 2011, under all Mutual of Omaha Insurance Company or its affiliated companies insurance policies and riders covering Illinois residents, any benefit, coverage or right, governed by Illinois state law, provided to a person considered a spouse by marriage will also be provided to a party to a civil union and any benefit, coverage or right, governed by Illinois state law, provided to a child of a marriage will also be provided to a child of a civil union.

Federal law may impact how eligibility and benefits for certain insurance products are treated. For example, federal tax laws that afford favorable income-deferral options to an opposite-sex spouse under the Internal Revenue Code do not currently extend such rights to a same-sex spouse (e.g., the Federal Defense of Marriage Act).

More information of the act or how it affects insurance coverage is available by contacting the company.

In compliance with applicable law, we or our reinsurers may also release information in our/their files, including information in an application, to other insurance companies to which you apply for life or health insurance or to which a claim is submitted.
